# Red Hat Academy Talent Network

## Connecting talent to opportunities

### PURPOSE

Connect Red Hat Academy students with Red Hat Partners and Customers seeking early talent candidates trained in Red Hat technologies to fill jobs and internships.

### EXPERIENCE

Red Hat to develop and host a platform for Red Hat Academy students to showcase their skills, educational accomplishments and job interests. Recruiters will be able to view and recruit directly through the Talent Network.

### BENEFITS

Students will have visibility into job prerequisites to add related qualifications to their profiles, search functionality to locate appropriate jobs in a specific field/location, and message recruiters directly.

# Connecting students and recruiters

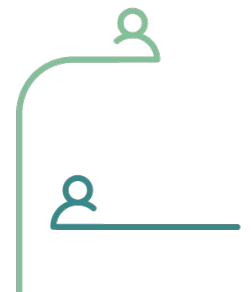

Students can create and manage their profile within the network. Recruiters can search for specific skillsets and reach out to students through the imbedded messaging center.

The screenshot shows the Red Hat Academy Talent Network interface. At the top left is the Red Hat logo and 'Training and Certification'. Below it is 'RED HAT ACADEMY Talent Network'. A navigation bar includes 'Home', 'My Profile', 'Message Center' (which is highlighted), 'Settings', and 'Help'. A search bar is present. A list of messages is shown on the left, including one from 'Ministry of Magic' dated Jan 2. The main content area shows a conversation with 'Ministry of Magic' from Dec 28, 2020, at 1:42 PM, with a 'I got hired!' button. The message from Bartemius Crouch, Sr. discusses internship positions. A second message from Ron Weasley dated Jan 2, 2021, at 12:13 PM, asks for an application. A third message from Bartemius Crouch, Sr. dated Jan 3, 2021, at 11:00am, provides application instructions. A large paw print icon is visible in the bottom left of the message list.

## Messaging Center

The platform allows students and recruiters to connect within a secure messaging center.
