Agenda:

- ▸ Curriculum
- ▸ Red Hat OpenShift
- ▸ Certification Exams
- ▸ Red Hat Academy Learning Platform
- ▸ Labs
- ▸ Employment Opportunities

Curriculum

- ▸ Are our courses relevant?

- ▸ Do you feel there are courses that are not a fit to the academic space?

- ▸ Are we missing content as a part of the overall curriculum for Red Hat Academy?

- ▸ Do you see any limitations or challenges for you to deliver our courses?

Red Hat

Red Hat OpenShift

▸ If you are teaching DO180, what has helped make this Red Hat course successful within your classroom?

▸ If you are not teaching DO180, what is preventing you from being able to teach?

▸ What additional resources, training, etc could we offer to help limit any challenges you see in teaching this course?

Certification Exams

- What limitations do you see for students taking an RHA exam at your institution?

- What can we do to improve exam uptake?

Red Hat

You asked, we delivered!

Red Hat Academy Learning Platform

▸ How has the Learning Platform made an impact on your Red Hat course offerings?

▸ What can we improve on the Learning Platform?

▸ What is helpful in growing enrollment in your Red Hat courses?

Red Hat Academy Labs

- ▶ What challenges are you trying to overcome when it comes to labs?

- ▶ How many lab hours do you need to complete an RHA course?
  - ○ (Ex/ Red Hat System Administration I)

- ▶ Can we do anything differently with our current lab options?

Red Hat

Red Hat Academy Talent Network
Employment Opportunities

▸ What are you most excited about with the news of our development of a Talent Network?

▸ With the Talent Network launching in 2022, what enablement resources can we provide your students to support a successful connection?
